Claim 59, line 1, delete "any of claims 37 to 58" and substitute --claim 37--

Add new claims 60, and 61 as follows:

60. A method according to claim 24, wherein said conducting layer compromises a metal conducting element or compound, semiconductor or composite.

61. A method according to claim 25, wherein said conducting layer compromises a metal conducting element or compound, semiconductor or composite.

REMARKS

REMARKS

The above amendments are being made in order to eliminate multiple dependency and improper multiple dependency, as well as make a slight correction in one claim. If any multiple dependency remains, that is unintended, and the Patent and Trademark Office is requested to cancel any remaining multiple dependent claims without prejudice before calculation of the national filing fee for the United States.

Priority Report indicates that the claims meet the

The appended Preliminary Examination Report indicates that the claims meet the requirements of novelty and inventive step. It is submitted that the same result should occur in the United States.

Examination of the application on its merits is awaited.

Date: May 31, 2000

Respectfully submitted
